MORAY RAPE CRISIS

TRUSTEES' REPORT

for the year to 31 March 2024

The Trustees of Moray Rape Crisis (MRC) are pleased to present their annual report, together with the financial statements of the charity, for the period 1 April 2023 to 31 March 2024, which are prepared to meet the requirements for a trustees' report and accounts for Charity Law purposes.

The financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended), the Companies Act 2006, MRC's Constitution, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Introduction

The newest of 17 Rape Crisis services across Scotland, MRC provides specialist, trauma-focussed therapeutic support, advocacy, groupwork and information for anyone in Moray aged 11 and over, who has experienced any form of sexual violence at any time in their lives (both recently and in the past). MRC also works towards preventing sexual violence through the provision of awareness-raising workshops with young people aged 11 to 25, and through working strategically with multi-agency partners.

Charitable objectives

MRC's charitable objectives are:

- To provide a practical support and advocacy service for survivors of rape and other forms of sexual violence.
- To work towards the prevention and, ultimately, the elimination of sexual violence.

History and background

MRC was established in 2018 by Rape Crisis Scotland, which managed and governed MRC until 30 September 2021. During this period, the service was delivered by a small staff team of 1 FTE staff member in 2018, increasing to 4 FTE staff by September 2021.

A shadow board of trustees was recruited by Rape Crisis Scotland in Autumn 2019 to help lead MRC towards self-governance, and on 20 October 2020, the organisation successfully registered as a Scottish Charitable Incorporated Organisation. In March 2021 a manager was employed to support the organisation to transition to self-governance.

MRC became fully independent and self-governing on 1 October 2021. Since this date to 31 March 2024, funding has been secured from the Scottish Government, National Lottery Community Fund, The RS Macdonald Charitable Trust, The Robertson Trust, Henry Smith Charity, the Bank of Scotland Foundation, Moray Communities Mental Health and Wellbeing Fund, NHS Grampian Charity and Berry Burn Community Fund to support the delivery and growth of the service to better meet the level of need in Moray. These funding streams have enabled an increase in capacity within the service and staff team to 12 FTE.

At its third Annual General Meeting on 5 March 2024, the Board of Trustees appointed Whitelaw Wells to undertake an audit of MRC's accounts for the period 1 April 2023 to 31 March 2024.

MORAY RAPE CRISIS

TRUSTEES' REPORT

for the year to 31 March 2024

Service outcomes and aims

1. Adults and young people in Moray who have experienced sexual violence feel safer and have greater control of their lives and choices.
2. Adults and young people in Moray who have experienced sexual violence are more informed about the impacts of sexual violence and trauma, and more able to self-manage these impacts.
3. Adults and young people in Moray who have experienced sexual violence have improved well-being and resilience.
4. Young people in Moray have greater understanding of consent, sexual violation and how to prevent sexual violence.

Our service outcomes provide public benefit and contribute significantly to local outcomes for Moray, including local delivery outcomes for the implementation of *Equally Safe: Scotland's strategy for preventing and eradicating violence against women and girls*¹, and nationally to the following National Outcomes²:

- We grow up loved, safe and respected so that we realise our full potential.
- We live in communities that are inclusive, empowered, resilient and safe.
- We are healthy and active.
- We respect, protect and fulfil human rights and live free from discrimination
- We tackle poverty by sharing opportunities, wealth and power more equally.

Monitoring and evaluation

- We measure service performance against our outcomes using a range of outcome evaluation tools which have been mapped against our service outcomes, including a bespoke self-assessment scale, questionnaires and case studies.
- We measure reach through tracking the outputs of our services.
- We measure quality through inviting service users to give us feedback on the service received.

Activities overview

MRC delivers the following key services:

- Support, groupwork and advocacy
- Prevention and training

MORAY RAPE CRISIS

TRUSTEES' REPORT

for the year to 31 March 2024

Support, group work and advocacy

'The support provided by MRC as I navigate the complexities of my trauma has been invaluable. I feel better equipped to face triggers and daily life when things do come up, have explored depths emotionally I have never previously felt safe to do so and leave this experience having gained a greater sense of empathy for myself...Proud of what I have achieved and deeply appreciative of the time, patience and compassion shown by my counsellor, who was very accommodating and adaptable to my thinking, processes and general needs.'

Adult survivor who has accessed support at MRC

"You have helped me understand coping mechanisms, how to cope with what happened and open up more. I used to be scared, but now I'm not afraid anymore."

Young person, aged 12, who has accessed support at MRC

Over the past year MRC's support services have:

- Supported 220 services users.
- Provided 8,966 support contacts (by phone, email and text) and appointments (in-person, by phone or by video).
- Received 206 new referrals (a 45% increase on 2022-2023, in which period 142 referrals were received).

Our service monitoring and evaluation shows that our support helps survivors to:

- Feel safer and more in control of their lives and choices.
- Feel more able to cope with the impacts of sexual violation and trauma.
- Develop improved well-being and resilience.

The types of support provided by MRC include:

Short-term blocks of individual support (up to 6 session): which focus on ways of safely coping with and self-managing the impacts of trauma and sexual violence.

Long term individual therapeutic support (up to 20 sessions): provides a safe space in which survivors can begin to emotionally process the trauma they have experienced and build confidence, well-being and resilience.

Advocacy support: for survivors who have reported to the police, or are considering doing so, or who are engaged in the justice process, including support to report and in-court support.

Group work: facilitated 6-week group work programmes, including trauma-focussed well-being groups, a choir, and creative arts groups, which aim to build confidence, connection and community.

MORAY RAPE CRISIS

TRUSTEES' REPORT

for the year to 31 March 2024

Support for young people aged 11 to 18 (the 'Rise Up' project): tailored therapeutic support and advocacy for young survivors (up to 30 sessions).

Support for survivors with learning needs and disabilities (the 'Side-By-Side' project): tailored therapeutic support for survivors with learning needs and disabilities (up to 30 sessions).

Support for Polish speaking survivors (the 'Stop Przemocy Seksualnej' project): dedicated first language support for Polish speaking survivors in Moray.

Additional note: COVID-19

MRC was designated an essential service during the COVID-19 health crisis and continued to operate throughout lockdown restrictions, providing support primarily on a remote basis by phone and video, and also in-person as necessitated. In-person support gradually resumed across the service from summer 2021, in accordance with risk assessment and mitigation plans. Learning from this time highlighted that remote forms of support (by phone or video) increased accessibility to the service for some survivors. MRC has subsequently integrated these options into our service model, alongside in-person support options.

Prevention

Moray Rape Crisis delivers the national Rape Crisis Sexual Violence Prevention programme for young people aged 11 to 25 in Moray. The programme, funded through the Scottish Government, is primarily aimed at reaching young people in secondary schools, though can also include work with young people in other youth settings. The programme comprises 4 workshops which are adapted to varying year groups to be age and stage appropriate. The ultimate aim of the programme is to reduce and prevent sexual abuse through facilitating increased understanding of key issues, such as consent. The workshops are participatory in format and comprise the following topics:

- Power- this workshop aims to help young people understand about relational and broader societal power inequalities, and how power inequalities can be exploited to sexually harm.
- Sexual violence (including online)- this workshop aims to increase young people's awareness about varying forms of sexual abuse, including online sexual abuse.
- Consent- this workshop aims to increase young people's understanding of sexual consent.
- Pornography- this workshop particularly aims to challenge myths about sex communicated through online pornography, and the power dynamics often represented in this.

In April 2023 to March 2024, we delivered 188 workshops to 2,389 young people in Moray.

"It can be awkward to talk about this stuff but it is important to be taught about it."

Young person from S4 year group who has participated in MRC's workshops

In addition, over this period we delivered 3 training inputs to 40 staff members and student officers at Moray College (University of Highland and Islands).

MORAY RAPE CRISIS

TRUSTEES' REPORT

for the year to 31 March 2024

Managing demand

Demand is increasing across all of MRC's services. Referrals received in 2023-2024 increased by 45% on the previous year (2022-2023). Over the past year, to help towards meeting the level of need for the service in Moray, the organisation has:

- Successfully secured funding from the Scottish Government, National Lottery Community Fund, The RS Macdonald Charitable Trust, The Robertson Trust, Henry Smith Charity, the Bank of Scotland Foundation, Moray Communities Mental Health and Wellbeing Fund, NHS Grampian Charity and Berry Burn Community Fund to support the delivery and growth of the service.
- Worked with local counselling diploma course providers to offer counselling placements to diploma level students.
- Continued to review our service delivery model and processes to ensure effectiveness and efficiency.

However, unfortunately despite the above measures, given increasing demand throughout this period, over 100 survivors were waiting up to 12 months at 31 March 2024 for support from one or more of MRC's support services:

MRC service	Number of survivors waiting at 31 March 2024	Numbers of survivors waiting at 31 March 2023	% increase at 31 March 2024
Adult service (individual therapeutic support)	89	59	50%
Young people's service	18	14	29%
Service for survivors with a learning need or disability	5	10	-50%
Advocacy	33	6	450%
Groupwork	32	22	45%

Volunteers

MRC relies on the enthusiasm and energy of our volunteers to develop and deliver our service to survivors of sexual violence. We are very grateful to these volunteers for their commitment and support. We continually strive to make volunteering a positive experience for volunteers.

Communications and engagement

MRC provides a range of information and awareness-raising resources about sexual violence and its impacts for survivors, their supporters and agencies. In this period, we continued to review our website and service information to increase accessibility and inclusivity. We also broadened our social media and community engagement over this time, being represented at local and regional events, and running a number of local awareness-raising campaigns, including:

MORAY RAPE CRISIS

TRUSTEES' REPORT

for the year to 31 March 2024

- [Amy's Story](#): a powerful and inspiring personal account written by a survivor in conjunction with her MRC support worker about her experience of healing and finding voice after sexual and gender-based violence.
- [We Are Here For You](#): a joint campaign with Moray Women's Aid and Moray Violence Against Women Partnership to increase the reach of our services to the LGBT community in Moray.
- [You Can Make a Difference](#): an awareness-raising campaign run during the 16 Days of Activism Against Gender-Based Violence (25 November to 10 December 2023) which aimed to build community support for the work of MRC and highlight ways to donate and fundraise in aid of the service.

We also successfully worked towards the LGBT Charter Mark (Gold Award) in this period, being awarded this in October 2023.

RELATED PARTIES

In this period, MRC has worked collaboratively with a range of local and national stakeholders to improve services for survivors of sexual violence, including:

- Moray Violence Against Women Partnership
- Moray Women's Aid
- Police Scotland
- NHS Grampian
- Rape Crisis Scotland
- Moray Food Plus
- University Highlands and Islands (Moray College)
- Moray Council (including Education, Social Work, Housing).

MRC receives referrals from a broad range of services across Moray, including: the Police; Moray Women's Aid; social work teams; GPs; mental health services; substance misuse services; housing; adult and child protection teams; children's services; schools; and services for disabled people.

In particular, we have continued to partner with Moray Food Plus to provide a food larder and free toiletries at our offices and groupwork programmes for survivors affected by the cost of living crisis.

MORAY RAPE CRISIS

TRUSTEES' REPORT

for the year to 31 March 2024

ACHIEVEMENTS AND PERFORMANCE

Key successes in the period include:

- Delivery of specialist high quality support, groupwork and advocacy for 220 people affected by sexual violence.
- Continued development and delivery of MRC's tailored support services to better meet the needs of survivors from equalities groups:
 - Support for young survivors aged 11 to 18- through the 'Rise Up' project.
 - Support for survivors with learning disabilities and needs- through the Side- By-Side project.
 - Support in Polish for Polish Speaking survivors, through the 'Stop Przemocy Seksualnej' project.
 - Continued delivery and development of MRC's Sexual Violence Prevention Project, which in 2023-2024 reached 2,389 young people in secondary schools and youth services across Moray, and additional 40 staff and student officers at Moray College (University of Highland and Islands).
 - Increased strategic and community engagement, via representation at local strategic partnerships and forums, social media engagement, representation at local community-led events, and the launch of a number of community awareness-raising campaigns.
 - Continued awareness-raising and campaigning around [Amy's Story](#) - a powerful and moving personal story of courage, empowerment, healing and hope, written by a survivor in conjunction with their MRC support worker.
 - Achievement of the Gold Level LGBT Charter Mark, awarded in October 2023.
 - Successful applications to the National Lottery Community Fund, Henry Smith Charity, Bank of Scotland Foundation, Moray Communities Mental Health and Wellbeing Fund, NHS Grampian Charity, and Berry Burn Communities Fund to help develop and grow MRC's services towards meeting increasing local need.

FINANCIAL REVIEW

The charity generated a surplus at 31 March 2024 of £82,317 (2023: £69,906). The total income amounted to £629,567 (2023: £573,983), of which £582,867 (2023: £531,765) was related to restricted projects and £46,700 (2023: £42,218) to unrestricted funds. At the balance sheet date, the unrestricted reserves were £109,792 (2023: £79,690) including designated funds of £50,074 (2023: £40,000), with £131,105 (2023: £78,890) in restricted funds giving total funds of £240,897 (2023: £158,580).

INVESTMENT POLICY

Under the Constitution, the charity has the power to invest any money that the charity does not immediately require, in any investments, securities or properties. As there are few funds for long-term investment the Trustees, having regard to the liquidity requirements of operating the company and to the reserves policy, have operated a policy of keeping available funds in an interest-bearing current account.

MORAY RAPE CRISIS

TRUSTEES' REPORT

for the year to 31 March 2024

Reserves policy

Total unrestricted reserves, excluding designated reserves, held at 31st March 2024 amount to £59,718 (2023 £39,960).

In line with best practice, MRC has a set target level of unrestricted reserves equivalent to three months' core running costs for the organisation, which equates to £136,813.

At the year end this policy was not met. MRC is a relatively new charity and the Board remains committed to improving the level of unrestricted funds held by MRC over the next year.

Principal funding sources

MRC's funding for the period was provided by:

- Bank of Scotland Foundation
- National Lottery Communities Fund
- Scottish Government, 100 Days Commitment Funding (Waiting List Reduction)
- Scottish Government, Delivering Equally Safe (DES)
- Scottish Government, Victim Centred Approach Fund (VCAF)
- The Henry Smith Charity
- The Robertson Trust
- The RS Macdonald Charitable Trust

Additional funds were generated through donation income.

Risk management

Internal and external risks to the charity are considered regularly by the Board and annually through the strategic planning/review process. Risks are detailed in the Risk Register for the organisation which also sets out the plan for risk minimisation.

Internal risks are minimised by development and implementation of procedures for authorisation of transactions and projects.

Principle external risks relate to:

- The continued funding of the charity due to the end of a number of funding streams at 31 March 2025.
- The current capacity and resources of the service being insufficient to meet the level of need for the service from the community at the time survivors reach out for this support, and consequent growth in waiting lists in the past year.

MORAY RAPE CRISIS

TRUSTEES' REPORT

for the year to 31 March 2024

Risk management plan for continued funding of the charity

The principal risk facing MRC is the continued delivery of its frontline services at their current level beyond 31 March 2025 due to the end of a number of funding streams, specifically Scottish Government funding streams, Bank of Scotland Foundation, Moray Communities Mental Health and Wellbeing Fund, NHS Grampian Charity, National Lottery Awards for All, and Berry Burn Community Fund.

The risks to MRC of loss of funding include:

- Impact on operational activities.
- Inability to meet service delivery commitments.
- Cash flow difficulties arising from lack of liquidity.
- Loss of staff expertise.
- Impact on MRC reserves.

MRC has a fundraising strategy in place which aims to mitigate these risks through a diverse range of income-generation activities, including:

- Applications to grant funders.
- Community engagement to increase donations and community-based fundraising in aid of MRC.
- Investigating options for regular giving schemes.
- Applications to trusts for unrestricted/core funding.

MRC's fundraising work is overseen by MRC's Finance Committee, which reports to the MRC Board of Trustees.

Risk management plan for managing increasing demand

As noted previously, demand is increasing across all of MRC's services. Referrals received in 2023-2024 increased by 45% on the previous year (2022-2023) and waiting lists have concurrently grown, with over 100 survivors waiting up to 12 months at 31 March 2024 for support from one or more of MRC's support services.

The principal risk associated with increasing demand for MRC's services is that survivors of sexual violence in Moray are not able to receive support regarding the trauma they have experienced at the time they reach out to the service for this. The potential impacts for survivors of having to wait up to 12 months for support include: heightened psychological distress, worsening self-harm, suicide attempts, increased substance misuse, re-victimisation, development of additional mental health problems and disengagement from education/employment.

MRC has identified and undertaken the following actions to help towards managing this risk:

- We have reviewed our service delivery model and processes to ensure effectiveness and efficiency.
- We have redesigned aspects of our service delivery model to enable survivors to receive short-term blocks of support at an earlier point following their referral into the service, whilst also having follow-on options for longer-term support.

MORAY RAPE CRISIS

TRUSTEES' REPORT

for the year to 31 March 2024

- We have successfully secured funding from the Scottish Government, National Lottery Community Fund, The RS Macdonald Charitable Trust, The Robertson Trust, Henry Smith Charity, the Bank of Scotland Foundation, Moray Communities Mental Health and Wellbeing Fund, NHS Grampian Charity and Berry Burn Community Fund to support the delivery and growth of the service.
- We are continuing to work with local counselling diploma course providers to offer counselling placements to diploma level students to help increase our capacity and reduce waiting lists.
- We are developing accessible and supportive resources for survivors to be available for download from MRC's website to offer some 'holding' whilst waiting to access support.
- We have a fundraising strategy in place which encompasses a range of income generation activities, with the aim of increasing the resource and capacity of the organisation to help towards meeting the level of need.
- We are working strategically to build MRC's infrastructure to effectively support current and future growth of the organisation.
- We continue to raise awareness locally and nationally about the impacts for survivors of having to wait months for support after experiencing sexual violence, and to work with multi-agency partners towards preventing sexual violence.

PLANS FOR FUTURE PERIOD

MRC's Board and senior staff have endorsed the following activities for the next 3 years:

- Implementing the MRC strategic plan for the period 2022-25.
- Running all aspects of MRC's services (support, prevention and training), and MRC's communications and engagement, efficiently and effectively, in adherence with the National Rape Crisis Service Standards, and maintaining MRC's reputation as a provider of specialist, high quality trauma-informed services and project development.
- Delivering on specific outcome and output requirements as set out in individual agreements with funders.
- Maintain good practice in outcome and output monitoring and the collection of quality data from service users.
- Implementing MRC's fundraising strategy to grow the service to meet increasing referrals and level of need.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Constitution

Moray Rape Crisis (MRC) is a Scottish Charitable Incorporated Organisation governed by its Constitution dated 20 October 2020 and is registered as a charity with HM Revenue & Customs and the Office of the Scottish Charity Regulator.

General structure

The structure of the organisation consists of the Charity Trustees who are also the organisation's only members and comprise the organisation's Board.

MORAY RAPE CRISIS

TRUSTEES' REPORT

for the year to 31 March 2024

Board of Trustees

MRC is governed by a Board of Trustees. The Board of Trustees comprises a minimum of three trustees and a maximum of twelve trustees, and must include a Chair, Treasurer and Secretary.

Charity Trusteeship is open to women aged 18 or over, and who subscribe to the purposes and values of MRC. The board may at any time appoint any woman who meets the aforementioned criteria to be a charity trustee by way of a resolution passed by majority vote at a board meeting.

Election, retiral and re-election

At the conclusion of each Annual General Meeting one third of the charity trustees (to the nearest round number) retires from office. The charity trustees to retire are those who have been longest in office since they were last appointed or re-appointed. A charity trustee vacating office at the conclusion of an AGM will be deemed to have been re-elected at the board meeting which next follows unless they advise the board that they do not wish to be re-appointed; or a resolution for the re-appointment of that charity trustee was put to the board meeting and was not carried.

Induction and Training of New Trustees

After appointment, an induction programme and information pack is offered to all new trustees, including training in governance.

Organisational Structure

The Board of Trustees meet bi-monthly to oversee the operation of the charity and determine its strategic direction and policies. The Board have also set up Finance, Governance and HR Sub-Committees, which meet regularly to implement finance and HR objectives and priorities within MRC's Strategic Plan. Each sub-committee comprises a minimum of one Trustee and a senior management representative. The day-to-day management is the responsibility of the Management Team.

Remuneration Policy & Payments to Senior Management

The Trustees consider the Management Team (Manager and two Support and Development Leads) to be the key management personnel of the charity. The pay of the senior staff is reviewed annually and normally increased in accordance with average earnings.

MORAY RAPE CRISIS

TRUSTEES' REPORT

for the year to 31 March 2024

STATEMENT AS TO DISCLOSURE TO AUDITORS

So far as the Trustees are aware, there is no relevant audit information of which the charity's auditors are unaware, and each Trustee has taken all the steps they ought to have taken as a Trustee in order to make themselves aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

STATEMENT OF TRUSTEE RESPONSIBILITIES

The Trustees are responsible for preparing a Trustees Annual Report and Financial Statements in accordance with the applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in Scotland requires the Trustees' to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Trust at the end of the year and of the profit or loss for the year then ended. In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Trust will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Trust and to enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005 and Charities Accounts (Scotland) Regulations 2006 (as amended) and the provisions of the Trust's constitution. They are also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the Trust and financial information included on the Trust's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

The Trustees confirm that the accounts comply with the above requirements.

Approved by the Trustees on 10 September 2024 and signed on their behalf:

.....
Clare Walker (Co-Chair)

INDEPENDENT AUDITOR'S REPORT

MORAY RAPE CRISIS

YEAR ENDED 31 MARCH 2024

Opinion on financial statements

We have audited the financial statements of Moray Rape Crisis for the year ended 31 March 2024, which comprise the Statement of Financial Activities (incorporating the Income and Expenditure Account), the Balance Sheet, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, Including FRS102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice)'.

In our opinion the financial statements:-

- give a true and fair view of the state of the charity's affairs as at 31 March 2024 and of its incoming resources and application of the resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs UK) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Trust in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT

MORAY RAPE CRISIS

YEAR ENDED 31 MARCH 2024

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities and Trustees Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended) requires us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the Report of the Trustees;
- Proper accounting records have not been kept; or
- The financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit

Other matter

The comparative figures are unaudited.

Responsibilities of the Trustees

As explained more fully in the statement of trustees' responsibilities set out on page 14, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

We have been appointed as auditor under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Irregularities that result from fraud are inherently more difficult to detect than irregularities that result from error.

From enquiries of those charged with governance, it was determined that the risk of material misstatement from fraud was low with little scope for fraud to occur. Our audit testing is designed to detect material misstatements from fraud where there is not high level collusion.

Our audit testing was designed to detect material misstatements from other irregularities that result from error where there is not high level concealment of the error. In this regard the following audit work was undertaken: applicable laws and regulations were reviewed and discussed with management; senior management meeting minutes were reviewed; internal controls were reviewed; and journals were reviewed. From this audit testing it was determined that the risk of material misstatement in this regard was low.

INDEPENDENT AUDITOR'S REPORT

MORAY RAPE CRISIS

YEAR ENDED 31 MARCH 2024

We performed income and expenditure testing which was designed to identify any irregularities as a result of mistakes or human error. From this audit testing it was determined that the risk of material misstatement in this regard was low.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005, regulation 10 of the Charities Accounts (Scotland) Regulations 2006 (as amended). Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Whitelaw Wells

MORAY RAPE CRISIS

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR TO 31 MARCH 2024

1. ACCOUNTING POLICIES

The principal accounting policies are summarised below.

(a) **Basis of Preparation**

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019) and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102), the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

The SCIO constitutes a public benefit entity as defined by FRS102.

(b) **Preparation of the accounts on a going concern basis**

The charity reported a net surplus of £82,317 in the year and an increase in unrestricted funds from £79,690 to £109,792, included in this figure is a designated fund of £50,074 (2023: £40,000). The Trustees have prepared projections for the twenty-four months to March 2026 and these indicate that the charity should be in a position to honour debts and obligations as they arise, assuming that grant income is received in a timely manner.

The Trustees are continuing to work hard and with success to secure a stable funding position for the Charity and progress towards the stated aim of holding three months' net operating unrestricted expenditure in reserves, currently £136,813.

The charity has secured multi years funding from:

- The Henry Smith Charity (£60,000 per year, from July 2023 to June 2026).
- The Robertson Trust (£40,000 per year, from April 2023 to March 2026).
- The National Lottery Community Fund (Improving Lives) (£199,974 over three years, from April 2023 to March 2026).

Funding has additionally been secured for a 2 year-period from April 2023 to March 2025 from The RS Macdonald Charitable Trust (£55,265 over two years) and Rape Crisis Scotland (£45,000 per year), and funding of £239,912 from the Scottish Government directly and a further £68,590 via Rape Crisis Scotland for the next year. Additional funding applications are being prepared and are likely to be successful.

The Trustees have reasonable expectations that new funding will be obtained and have therefore continued to prepare the financial statements on a going concern basis.

MORAY RAPE CRISIS

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR TO 31 MARCH 2024

1. ACCOUNTING POLICIES (cont)

(c) **Funding Accounting**

- Unrestricted funds are available for use at the discretion of the trustees furtherance of the general objectives of the charity.
- Designated funds are unrestricted funds earmarked by the charity for particular purposes.
- Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal.

(d) **Income recognition**

All income is included in the statement of financial activities when the charity is entitled to the income, it is probable that the income will be received and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

- Grants receivable and donations are credited to the Statement of Financial Activities in the year for which they are received.
- Investment income is included when receivable.

(e) **Expenses recognition**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Expenditure is recognised on an accruals basis. All expenses including support costs and governance cost are allocated or apportioned to the applicable expenditure headings. For more information on this attribution refer to note 4 below. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of expenditure to which it relates:

- Raising funds comprise the costs associated with attracting donations.
- Charitable expenditure comprise those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

(f) **Allocation of Support costs**

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include governance costs which support the SCIO's activities. These costs have been allocated between cost of raising funds and expenditure on charitable activities. The bases on which support costs have been allocated are set out in note 4.

(g) **Contributions to pension funds**

A number of employees have private pension plans to which the charity contributes. Such contributions are linked to salary and are charged to the income and expenditure account in the year in which they are paid.

MORAY RAPE CRISIS

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR TO 31 MARCH 2024

1. ACCOUNTING POLICIES (cont)

(h) **Operating lease agreements**

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged to the SOFA on a straight-line basis over the period of the lease.

(i) **Financial instruments**

Financial instruments comprise financial assets and financial liabilities which are recognised when the charity becomes a party to the contractual provisions of the instrument. They are classified as “basic” in accordance with FRS102 and are accounted for at the settlement amount due, which equates to the cost. Financial assets comprise investments and cash. Financial liabilities comprise accruals.

(j) **Judgements and key sources of estimation uncertainty**

In the application of the charity’s accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

2. Income from Donations
